TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Litchfield in the county of Hillsborough in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Town Hall in said Litchfield on Tuesday, the 14th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.
4. To see if the Town will vote to pay \$2.00 per hour for all hourly rated employees.
5. To see if the Town will appropriate not more than \$150.00 to be added to the Police Department Budget to update the Town census. The census to include names and ages of all children, plus all dogs, and to be completed by 1 May 1967.
(By Petition)
6. To see if the Town will vote to raise and appropriate the sum of \$2005.00 for the purchase of a new snow plow.
7. To see if the Town will vote to accept and maintain as a public way, the street commonly known as Louise Drive located off Page Road, which has been built to meet Town requirements and in accordance with plans on file at the Selectmen's office.
(By Petition)
8. To see if the Town will vote to raise and appropriate \$3500 to pave the street commonly known as Louise Drive, if accepted by the Town.
(By Petition)
9. To see if the Town will appropriate the sum of \$2500.00 (Town share) for the purchase of a Civil Defense warning system. This to be a 3-tone system with the third tone to be used for fire alarm.

10. To see if the Town will appropriate the sum of \$375.00 (Town share), to purchase a 2-channel (police and fire) mobile radio unit for use by the Office of Civil Defense.

11. To see if the Town will appropriate the sum of \$300.00 (Town share) to purchase 2 each, 6 meter and 2 meter fixed location transceivers for use of the Office of Civil Defense on the Radio Amateur Civil Emergency Service.

12. To see if the Town will vote to raise and appropriate a sum not to exceed \$16,000.00 for the purchase of a new 1967 fire truck.

13. To see if the Town will vote to appropriate a sum not to exceed \$16,000.00 for the purchase of a new 1967 fire truck such sum to be raised through the issuance of bonds or notes and to authorize the Selectmen to determine the rate of interest thereon and take such other steps as may be necessary to negotiate such bonds or notes as shall be to the best interest of the Town of Litchfield.

14. To see if the Town will vote to raise and appropriate the sum of \$1,866.00 for the purchase of the following articles: two thousand gallon oil tank to be buried in the ground, one thousand feet of 2½ inch hose at \$1.33 per foot, two 1½ inch fog nozzles.

15. To see if the Town will vote to authorize the Selectmen to withdraw from the New Fire Truck Fund the sum of \$2758.94, to be used in conjunction with Article 12 or 13.

16. To see if the Town will vote to appropriate \$150.00 for water holes.

17. To transact any other business that may legally come before this meeting and read the minutes of said meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and Sixty-Seven.

OVILA W. JACKSON

ROAD AGENT'S REPORT

In the year 1966, a half mile portion of Page Road was rebuilt. The low bidder was Robert Roy. The surface was mixed in place by the State of New Hampshire's equipment, for the town.

On Cutler Road, the trees and brush were cut, the stumps removed, the banks cut back and widened to the two rod right of way.

On Pinecrest Road, two stone culverts, that had collapsed, were removed and cement culverts installed.

For the coming year, the remaining half mile portion of Paige Road should be rebuilt. This part will require three catch basins, and three new culverts, plus the extending of the present culvert. Due to the culverts and catch basins, this portion will cost more than the last two portions the town has built.

Cutler Road with its new entrance on the Paige Road, is ready for graveling. It is estimated that it will require 4,000 yards of gravel to place a one foot depth of gravel on the remaining length of the road.

We resealed about a mile of road this last year. A section of Paige and Talent Roads were done. We hope to do more resealing of roads this year. Money for this work comes out of Summer Maintenance Funds, and this seal coat does protect existing roads.

The "snow plow" which the town has had for 18 years, shows signs of deterioration and weakening. This plow has gone several years beyond the normal expectance, and should be replaced.

I would like to mention at this time to the people of Litchfield, of the time and effort the Selectmen have put in, helping to get our roads in better condition.

ARNOLD CAMPBELL
Road Agent

HEALTH DEPARTMENT REPORT OF THE HEALTH OFFICER

The following is a detailed report for the year of 1966:

Description		Cases
Individual Sewage Disposal Systems Inspected		21
Laboratory Analysis of Individual Water Supplies		38
Percolation Tests Conducted		2
Public Nuisance Complaints Investigated		21
Violations Cited		6
Disinfecting of Individual Water Supplies		6
Dog Bites Reported		4
Sanitary & Land Survey		1
Preparing Drawings of Sanitary & Land Survey		1
Conducted Chloride & Fluorescein Tests on		
Individual Sewage Disposal Systems		15
Routine Inspection of Food Handling Establishments		2
Foster Homes Inspected		1
Mobilehome Parks Inspected		2
Total Cases		120
Expenditures Incurred:		
Transportation Allowance	\$ 110.60	
Postage	3.00	
Operating Supplies & Sanitary Survey	116.53	
Budget Appropriation		\$ 125.00
Approved Non-Budgeted Funding		105.13
	<hr/>	<hr/>
	\$ 230.13	\$ 230.13

Again during the past year the health officer has received many complaints of existing health menaces and nuisances. In each case the health officer has checked each complaint and the necessary steps to correct it has been taken. Although the nature of these complaints vary, the greatest number were concerned with Contamination of the Individual Water Supply by Sewage Disposal Systems. The necessary steps have been taken by the health officer to diminish this health nuisance by preparing and submitting to the Board of Selectmen for their approval Rules and Regulations on Water Supply and Individual Sewage Disposal Systems. This we considered was necessary to provide sanitary and health protection to the general public.

Respectfully submitted,

ROLAND E. BERGERON

Health Officer

BUILDING DEPARTMENT

REPORT OF THE BUILDING INSPECTOR FOR 1966

A total of 30 permits were issued during 1966 and classified as follows:

	Permits	Estimated Valuation
New Residence	12	174,000
Additions & Alterations (Residential)	7	8,000
Utility & Shop Buildings	6	3,400

Swimming Pool	1	3,500
Foundation	1	800
	<hr/>	
Total Permits	30	

Estimated Increase of Valuation on Completion of Construction	\$196,200
--	-----------

Expenditures Incurred:

Transportation	\$ 127.20
Copy National Plumbing Code	5.25
Office Supplies, Postage & Printing Contracted for	56.50
Copy Hudson Land Subdivision Regulations	1.00
N. H. Building Official Assn. Dues	5.00
Total Expenditures for 1966	\$ 194.95
Operating Budget for 1966	300.00
	<hr/>
Unobligated Balance	\$ 105.05

Respectfully submitted,

ROLAND E. BERGERON
Building Inspector

POLICE DEPARTMENT REPORT 1966

1966 was a busy year. The town has shown a steady growth with new developments now at the north end. Another census would be helpful with added information in regards to ages and names of all children.

This past year we made an emergency run to the Floating Hospital in Boston. The co-operation of all the Mass. departments in escorting us was of the best and very efficient.

Several serious home accident cases were taken to local hospitals. This is still a part time department and at times the officers are all working. If you call and cannot make contact, call the Nashua Police Dept. at TU 3-7743. Ask for a Litchfield car. Often one of our officers has a radio on, or has notified Nashua Police where they can be reached. In case of emergency ambulance service, call directly to Nashua TU 3-7743; if you want Manchester, NA 4-1434. Give your name and directions for reaching your home clearly. Advise us if possible, also.

You will find an item in our budget for education. With recent Supreme Court rulings and a change in District as well as Superior Court proceedings it is important that your officers keep abreast of changes in evidence and court conduct. St. Anselm's college in Manchester offers not only one day seminars, but also ten week courses in all phases of police work. We should like to take advantage of some of these.

This past year has seen an increase in the use of the resuscitator which the Police and Fire Departments purchased together. As of now, both departments have one. The men are fully trained in the use of these. In addition to the resuscitator, each police officer has an emergency oxygen supply for patients with breathing trouble. Remember, we can administer first aid, but a doctor should examine and diagnose each case.

Our many thanks for your co-operation during this past year, and especially to our boys and girls who add to the reputation of Litchfield as a fine town.

DAVID CAMPBELL
Chief of Police

FIRE DEPARTMENT REPORT

Litchfield residents have shown their good judgement in keeping our fire loss down to a degree where we did not have any serious house fires. Our Town is growing steadily and I feel that fire prevention is the answer in saving our property. Recognition should be given to home safety in checking of heating systems, proper wiring and fuses and check for any combustible materials in your cellar and attics that could cause fires.

I wish to thank all members of the department for their support in 1966, also I would like to thank the selectmen for their cooperation and members of the police force for the hours they donated for helping us to fix the second floor of the Fire Station.

In case of Fire call — 882-1101.

For resuscitator call Fire Chief — 882-2525.

For Police Chief — 882-2865.

ARTHUR E. BURGESS

Fire Chief

DISTRICT FOREST FIRE WARDENS REPORT

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A. M. and 5:00 P. M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.
2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important — instruct your children that matches are not play things.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

LEON C. CALAWA

Forest Fire Warden

WINTHROP H. HANNAFORD

District Fire Chief

MEMORIAL DAY

Flags at half staff on this day once again served to remind us of the major sacrifices freely given by our young service men and women. Our observance began in parade formation at the Litchfield Elementary School and proceeded to the Town Hall where wreaths were placed on the World War I Memorial and in the Merrimack River. The formation then proceeded to the Aaron Cutler Library for wreath laying on the World War II Memorial, returning to the Town Hall parade grounds.

Invocation was given by Monsignor Gardner, Selections by the Litchfield Presbyterians choir and the school children of Town.

The guest speaker was Dr. Lewis Goffe, a lifelong resident of Litchfield. Dr. Goffe spoke of the parade grounds where this service was being held and the part these grounds have been used for in assembling men through all the wars that this country has been involved in with the exception of the last two.

With the sounding of taps and three volleys by the firing squad, Monsignor Gardner pronounced benediction.

The parade was under the direction of M/Sgt. Reginald Smith. Members of the Servicemen's organization, Police Dept. and School Children participated.

Guests of honor were the Leslie Cota family.

We would like to extend our appreciation to those who participated in this Memorial Observance.

EUGENE N. PELKEY
Vice Chairman

LIBRARIAN'S REPORT, 1966

The Library is open on Wednesdays, 3:30 P. M. to 5:30 P. M., and on Saturdays, 7:00 P. M. to 9:00 P. M.

All residents of the town have available a source of information and enjoyment in their own Public Library and are cordially invited to take advantage of this.

The telephone is listed under Merrimack, Aaron Cutler Memorial Library, 424-5011.

The affiliation with the Statewide Library Development Program has continued as in 1965. Another selection of Reference books was offered near the end of the year, and will extend our present collection.

The State Bookmobile continues to bring generous selections of a variety of books for all ages and interests. We are sorry that because of lack of funds the School could not receive this service the past year. We urge that parents living at a distance from the Library bring their children regularly that they may enjoy the books available.

The following periodicals have been received: Look, Life, National Geographic, N. H. Profile, North Country Libraries, Parents, Reader's Guide, Time, and Yankee Magazine.

Donations of books and magazines: Dorothy Laughlin, Elaine Smith, Jean Leach, Margaret Senter, Ray Danielson, Gerard Desjardins, The G.F.C. and a copy of Dr. E. F. McQuesten's History of Litchfield from Dr. Lewis C. Goffe.

Respectfully submitted,

FLORENCE C. CENTER,
Librarian

OLIVE CAMPBELL, Treasurer

FIRE DEPARTMENT BUILDING COMMITTEE REPORT

Since the Fire House came into being the members and interested Townspeople have donated many hours of free time, money, lumber and all sorts of materials. Most of the money spent on the Fire House was raised at our Annual Fire Department Ball's which the townspeople have supported. In the last nine years we have realized over \$5,500.00 from this source, every bit of which was invested in the Fire Station. We realize that Litchfield is not a wealthy Town so we feel that in the past we have saved ourselves, as taxpayers, a considerable sum of money which never showed up as a Tax dollar.

In this day and age everyone seems to be very busy with little time left to help their community. Here in Litchfield, we have this problem too. We do not know how we are going to lick it but we will try our best. We need townspeople who have a sincere interest in the town and who are willing to donate their services so that Litchfield can have a better Fire Department, one which every citizen will be proud of.

To date we have spent \$8,355.02 on the Fire House, of which \$2,806.53 was given by the Town and \$5,548.49 was raised by the Volunteer Fire Department members. The results being that we have a building as yet unfinished that is appraised at: . When it is finished it will be worth much more.

Most of the cost to date has been borne by the members. Our building needs a lot more. It needs toilet facilities which means a well, septic tanks, etc. The upstairs this past fall has been all framed, insulated and sheet rocked and for not too many more dollars it could be finished into sort of a community room which could be available to the Townspeople. Downstairs, the back bay needs plastering and complete bath facilities, plus an office and storage area for valuable supplies and a place for the Chief to keep his records intact.

These are just some of the many problems that the members are faced with. As you know, we are sorely in need of new equipment, that is a problem which you are all well aware of and need no further reminder.

We would like to report that in the fall of 1966 six members have taken and passed a ten (10) meeting, twenty (20) hour course, administered by the State, dealing in all facets of the use of Scott Air Packs. This was very important because more and more of our fires are of the smokey variety, caused by the new types of synthetic and plastic building materials. With these Scott Air Packs, we are able to enter a home and make sure that the building is empty and get to the actual fire. The State has many courses to offer and in the future the members hope to take advantage of them.

REPORT OF OFFICE OF CIVIL DEFENSE

I assumed the post of Civil Defense Director shortly after the Town Meeting in 1966 after a lapse of over a year without an active director.

There was a tremendous amount of paper work to be processed to make the town, once again, eligible for State and Federal matching funds. A Town Civil Defense plan and unit roster had to be prepared and forwarded to the State Office of Civil Defense for approval. All of the lapsed administrative duties were caught up to put this office on an even keel again.

A survey of the Town public buildings was conducted by the Army Corps of Engineers for suitable fallout shelters. Two buildings were approved, namely the library and school. Paper work is still pending and as soon as it is completed the buildings will be licensed and posted accordingly.

The following equipment was purchased through New Hampshire Distributing Agency:

1. 20 line telephone system for future conversion to a fire alarm system.
2. 2 - ARC - 1 radio transcievers for use on RACES but proved to be incompatible and are programmed for use as spare parts.
3. 6 portable oxygen units, 15 minutes, for the Police Department in their cruisers.

In the coming year, emphasis is to be placed on communications with local, state and surrounding Civil Defense headquarters.

Respectfully submitted,
ANTHONY P. SULLIVAN
Civil Defense Director

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Litchfield qualified to vote in district affairs.

You are hereby notified to meet at the Litchfield Fire Station in said district on the 11th day of March, 1967, at 7: P. M. to act on the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

5. To see if the District will vote to authorize the design, construction and equipment of an addition to the Litchfield Elementary School and to appropriate a sum not to exceed \$160,000.00 for the aforesaid purpose; and to raise the same by issuance of bonds, or serial notes in accordance with the provisions of the Municipal Finance Act, Chapter 33, of the Revised Statutes Annotated of New Hampshire, as amended, and to authorize the Litchfield School Board to so issue and negotiate said bonds or notes in the name of or on the credit of the District, said board to have the discretionary powers described in Section 8 of said Chapter 33 in respect to said notes or bonds.

6. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for the school district and agents and for the payment of the statutory obligations of the District.

7. By petition of — Taxpayers' Association — Martin A. Powers, Richard A. Briggs, Ruth H. Martin and others: To see what action the School District of Litchfield will take to use the non-partison Ballot System of voting to elect all School District Officers.

8. By petition of — Taxpayers' Association — Martin A. Powers, Richard A. Briggs, Ruth H. Martin and others: To see what action the School District of Litchfield will take, if they adopt the Non-Partisan Ballot System of voting, to elect all School District Officers at the same time as election of other Town Officials.

9. To hear the reports of Agents, Auditors, Committees, or officers chosen and pass any vote relating thereto.

10. To transact any other business that may legally come before this meeting.

Given under our hands at said Litchfield this 9th day of February, 1967.

JAMES W. DRIVICK

REPORT OF THE SCHOOL BOARD

To the Citizens of Litchfield:

We wish to express our appreciation first to the entire populace of the town, the Parent Teachers Organization, and all other organizations that have given us their cooperation during the year. The Board is especially grateful to the P. T. O. for contributing a television set to the school.

We are pleased to welcome five teachers to our staff; Mr. Perkins as Principal and Remedial Reading teacher; Mr. Knowles, Math and Science, 7th and 8th grades; Mrs. Garside, 6th grade; Mrs. Crockett, 4th grade; and Mrs. Granger, 3rd grade. The teachers have been diligent in their professional duties and obligations to the children throughout the year.

The census report indicates that there will be no relief in student enrollment. We may as well face the fact that more and more people are moving into our community. This makes our obligation greater and leaves us no alternative but more concentrated effort on the part of not only the Board members, but the entire townspeople. We all realize the value of education and the necessity of the proper facilities to administer its functions.

The School Board asked seven citizens to serve with it and assist in presenting its building needs to the community. This committee has spent many hours trying to understand the needs of both the pupils and the community. The Board is asking your consideration on the addition of an all-purpose room and four classrooms to meet the needs of the school district for five years.

We wish to thank the committee members who have worked with us. We hope citizens will support the school district in its needs and help to construct a building of which we will be proud.

The Building Committee and the School Board want to thank Mrs. Grace Paul, who so generously donated the much needed land to expand our school facilities.

In closing, we would like to thank once more everyone concerned for the splendid consideration and cooperation given us.

Treasurer

REPORT
of an examination and audit
of the accounts
of the
LITCHFIELD SCHOOL DISTRICT
for the fiscal year ended June 30, 1966
made by
THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
August 15 and 16, 1966
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 31, 1966

The School Board
Litchfield School District
Litchfield, New Hampshire
Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Litchfield School District for the fiscal year ended June 30, 1966, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: June 30, 1965 — June 30, 1966: (Exhibit A)

Comparative Balance Sheets as of June 30, 1965 and June 30, 1966, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$5,255.32 during the fiscal year ended June 30, 1966.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1966, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$1,052.17, less a revenue deficit of \$773.63, resulted in a net budget surplus of \$278.54.

Summary Statement of Receipts and Expenditures (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1966, is indicated in Exhibit F.

Statement of School Lunch Account: (Exhibit G)

A summary statement of the School Account is included in Exhibit G.

Statement of School Tax Account: (Exhibit H)

A statement of the School Tax account with the Town of Litchfield is presented in Exhibit H. As indicated therein, as of June 30, 1966, the School District had received from the Town the total amount of the 1965-66 School Tax.

Statement of Bonded Debt: (Exhibit I)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1966, showing annual debt service requirements, is contained in Exhibit I.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assest over current liabilities) increased from \$23.22 to \$278.54 during the fiscal year ended June 30, 1966, as shown herewith:

	June 30, 1965	June 30, 1966
Total Assets	\$23.22	\$278.54
Current Liabilities	— 0 —	— 0 —
Current Surplus	\$23.22	\$278.54

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Litchfield School District and the office staff for their assistance during the course of the audit.

Yours very truly,
HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

HGF: bjm
O. Maurice Oleson, Auditor
Stephen D. Plodzik, Accountant

DIVISION OF MUNICIPAL ACCOUNTING STATE TAX COMMISSION

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Litchfield School District for the fiscal year ended June 30, 1966. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1966, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,
HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

O. Maurice Oleson, Auditor
Stephen D. Plodzik, Accountant

REPORT OF THE SUPERINTENDENT OF SCHOOLS

January, 1967

To the School Board and Citizens of Litchfield:

Our pupil enrollments reached a new high this year varying from 215 to 225 pupils in grades 1 — 8. This significance of these figures is that our primary grades average thirty pupils. If we are to maintain a desirable teaching climate in these first four grades we cannot allow the pupil teacher ratio to exceed its present rate. This means that we either tuition our seventh and eighth graders to another district or build additional classrooms and all-purpose space to provide for the needs of our elementary pupils. This continues to be our first and foremost problem on the education horizon.

Mr. Clifford Perkins Jr., joined our staff as teaching principal last September. Under his leadership our school continues to maintain a high level of educational desirability. Under Public Law 89:10 we have implemented a full time reading program. This program helps to meet the needs of our remedial youngsters and also gives assistance to other pupils at the developmental level.

We have been fortunate in replacing teachers who have moved by sincere and dedicated teachers. It is a pleasure to announce the following additions to our instructional staff.

Mrs. Dorothy Crockett, Hudson, N. H., University of N. H., B. S. 1942, additional courses at Rivier and UNH. Mrs. Crockett replaced Miss Welch in grade 4.

Mrs. Cynthia Garside, Hudson, N. H., Rivier College, B. A., 1957, replaced Mr. Petralito, grade 6. Mrs. Garside previously taught at Greenfield and Hudson, N. H.

Mrs. Agnes Grainger, Hudson, N. H., Fitchburg State College, B. S. Ed. 1947, replaced Miss Burke, grade 3. Mrs. Grainger previously taught in Hubbardston and Pepperell, Massachusetts.

Mr. Lenwood Knowles, Manchester, N. H., Keene State College, B. Ed., 1965, teaches Math and Science grades 7 and 8. Mr. Knowles previously taught in Concord, N. H.

Mr. Clifford Perkins, Jr., replaced Mr. Saudelli as Principal. Mr. Perkins previously taught in Deerfield, N. H., he is a graduate of Keene State College, 1949, graduate work at Keene State College and Tufts University.

In conclusion I take this opportunity to recognize the cooperation of the school board, Mr. Perkins and the professional staff, and all those who contribute to the success of our educational program.

Respectfully submitted,

CLAUDE H. LEAVITT
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT

Mr. Claude H. Leavitt
Superintendent of Schools
Litchfield, New Hampshire

Dear Mr. Leavitt:

The following paragraphs constitute my report as Assistant Superintendent in the School District of Litchfield, New Hampshire.

At this writing I have only been associated with the Litchfield School District for somewhat less than four months. However, even within this short period of time, I have had the opportunity, to view personally the excellent instructional program that is being maintained in the face of increasing enrollments. The willingness and desire to foster excellence within the educational program is certainly a tribute to the citizens of this community.

Litchfield has been able to sustain a high quality of instruction through the addition of some excellent professional staff members. In the final analysis the instructional program depends, in its entirety, on the quality and dedication of the teaching staff and Litchfield is extremely fortunate to have a staff deeply imbued with both qualities.

With funds available through Title I of the Elementary and Secondary Education Act of 1965 Litchfield has added a special reading program to the curriculum. Through the medium of the new technical equipment coupled with the services of Mr. Perkins, the reading specialist, we are able to offer a comprehensive program encompassing both remedial and developmental reading.

Working with groups of children ranging in size from one to ten youngsters, Mr. Perkins has been able to give the individualized and specialized help that is necessary to overcome reading deficiencies. This type of individual help creates a situation that is conducive to levels of attention and concentration which the student may never before have achieved. This high order of concentration results in greater accuracy, and noticeably increases student self-confidence.

The need to have planned developmental reading instruction in the intermediate and junior high school years, has only been recognized in the last decade. Like any other skill, proficiency in reading results from practice under careful direction and guidance. Through the use of developmental techniques we hope to improve concentration, to increase comprehension, to expand vocabulary, to develop use of reading techniques and to broaden intellectual horizons through reading enjoyment.

Whether it is in the regular classroom, in small groups, or in a clinical or tutorial situations involving individual instruction, the reading program has made significant advances during the current year in Litchfield.

Through Title III of the afore-mentioned act the children in grades 1 —6 have had the opportunity to participate in a program of cultural enrichment administered through the Center for Arts Exposure, an affiliate of the Manchester Institute of Arts and Sciences. This is a program whereby the children involved will be exposed to elementary programs in the performing arts such as the dance, music, and drama. However due to the lack of a suitable facility the youngsters must be transported to Bedford or Merrimack to participate.

In order to maintain the quality of instruction mentioned earlier in this report, serious consideration should be directed toward the limitations imposed on the instructional program, due to the lack of space within the current facility. Every attempt should be made to keep the pupil-teacher ratio at 25 to 1. At the same time it should be pointed out that the lack of a large instructional area, such as an auditorium or all purpose room, eliminates many facets of the comprehensive elementary program as we know it today.

In closing may I thank the School Board and yourself for your direction and guidance, Mr. Perkins and the staff for their cooperation, and finally may I congratulate the citizens of Litchfield for their dedication to excellence in the educational program.

Respectfully submitted,

PETER G. DOLLOFF

Assistant Superintendent

REPORT OF THE PRINCIPAL

Mr. Claude Leavitt
Superintendent of Schools
Litchfield, N. H.

Dear Mr. Leavitt:

As the new principal of the Litchfield Elementary School I would like to compliment the town of Litchfield on the fine students we have attending school. The excellent attitude and temperament of these youngsters has enabled the teaching staff to continue to improve our program of instruction while the cooperation shown by the parents in adhering to necessary simple procedures and requests made of them throughout the year has further strengthened the relationship between the school and the town it serves.

We are very enthusiastic about the results of our new reading program. As you know, this year, as a result of the National Elementary and Secondary Education Act of 1965, we acquired a considerable amount of new audio-visual material designed to strengthen our reading program. Through the medium of this equipment we were able to develop a program of remedial and developmental reading.

Our remedial reading program is designed for students in grades 3 through 8. It enables students to attain a higher level of reading proficiency while helping them to improve their learning capacities in other subject areas as well.

The developmental reading program is directed toward the upper four grades. Through the use of our reading machines we are able to increase the speed and comprehension of those students involved.

To a limited extent we have been able to introduce much of this audio-visual material to the classroom so that as large a percentage of the students as possible can benefit from it.

Through the generosity of the P. T. O. we have received an educational T. V. set. With this set we will be able to take advantage of the many fine educational T. V. programs offered by Channel 11 in Durham, N. H. These programs are designed to augment the regular classroom instructional methods and present a greater variety of material than could be offered in a normal classroom situation.

Our library has not been used as much as we would have liked. This is due to the fact that it has been necessary to locate the library in the reading room. Until such time as the sorely needed additional space is available, we will be limited in our development of a true library facility.

Unfortunately we are unable to offer such activities as physical education program, musical presentations, dramatic productions, or the many educational films that are available at no cost, because of the lack of adequate facilities.

It is our sincere hope that in the near future the needed additional space will be provided.

I would like to take this opportunity to thank the School Board, the Superintendent, the Assistant Superintendent of Schools, the P. T. O., and the entire school staff for their cooperation and assistance.

Respectfully submitted,

CLIFFORD H. PERKINS

Principal
